

# Amanda Loper, AIA, LEED AP Principal, David Baker Architects

## PROFILE

Amanda Loper, AIA, LEED AP, established and leads DBA\_BHM, the David Baker Architects' southeastern office in Birmingham, Alabama. Amanda joined the firm in 2006 and was made Principal in 2014. Her diverse projects with DBA include affordable housing, market-rate housing, commercial buildings, and policy studies. Amanda focuses on the big-picture potential of sites as well as overseeing details that create unique built environments. She works to bring social awareness to issues of housing and density within the urban setting.
